

## Load Organizer Tips

All Record Certificates are FREE and will be sent to the organizer for distribution.

Before the record attempt: If you have questions, visit the POPS website: [www.thepops.org](http://www.thepops.org)

### **Briefly, record requirements are:**

- Jumped as planned with all grips and slots.
- Photo or DVD of the completed formation.
- Complete & submit the record application form.

### **Jumpers Required for Record:**

- POPS: 9-way or more
- SOS: 9-way or more
- JOS: 5-way or more
- JOES: 3-way or more

During any record attempt, the only jumpers permitted are the record participants and the camera flyer(s). No other jumpers may exit with the record group.

Camera flyers should be informed that the DVD/photo must be taken from an angle that shows all slots and grips completed as dirt dived.
